## 5 Key Aerosols in Collision Damage Repair Products Used Every Day in Every Shop

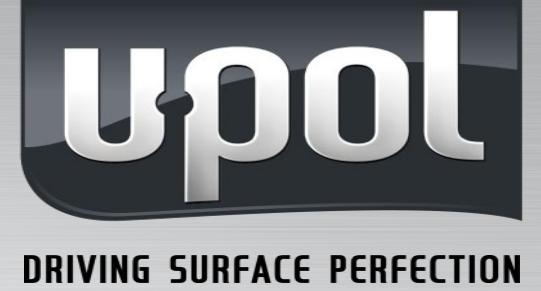

# U-POL Premium Aerosol II Product Focus

## Why U-POL Premium Aerosols?

- Proven results for 67 years
- 12 part numbers covering 25 sku's
- High performance multi-function resins
- Outperforms industry competitors
- Broad aerosol range
- Combines value and performance
- Highly profitable

# Premium Aerosol II Range Overview

## Professional Aerosols - Prep and Prime Products

# Premium Aerosol II Range Overview

## Professional Aerosols - Protection and Topcoat

# Premium Aerosol II Advantages

## U-POL competitive advantages

- Excellent corrosion resistance
- High adhesion for steel and galvanized
- Available in Copper or Zinc
- Same corrosion protection
- Copper = superior conductivity for cleaner, spatter free welds
- Compatible with M.I.G., T.I.G. and resistance welders
- Clog free nozzle – can't be understated.

# Premium Aerosol II Advantages

## U-POL competitive advantages

- Primer / W-O-W non-sanding sealer
- Perfect for in-booth rub / cut through areas prior to paint
- Multi-function resin directly bonds to flexible plastics, steel, alu and galv no etch or adhesion promoter
- Very fast drying and easy to sand
- Directly topcoat with solvent or water
- Wide 4" fan

# Premium Aerosol II Advantages

## U-POL competitive advantages

- Anti-silicone degreaser
- Fast evaporating, no residue
- Perfect for spot and localized repairs
- Does not attack existing paints
- For bare metal, composites, FG or OEM paint
- Reduces / controls VOC emissions

# Premium Aerosol II

## Advantages

### U-POL competitive advantages

- Graphite based guide coat
- Instantly dry
- No odor
- Does not clog paper when sanded
- Identifies pin holes in filler , high and low areas
- Wet or dry sand compatible
- Does not wash off when wet sanded

# Premium Aerosol II Advantages

## U-POL competitive advantages

- Stone chip protector
- Sound dampener
- Can be used as texture coater
- Bonds directly to bare metal, sanded paint and prepared galv or aluminum
- High build formula hides welds and seams
- Paintable
- 2 texture tips included

# Premium Aerosol II Advantages

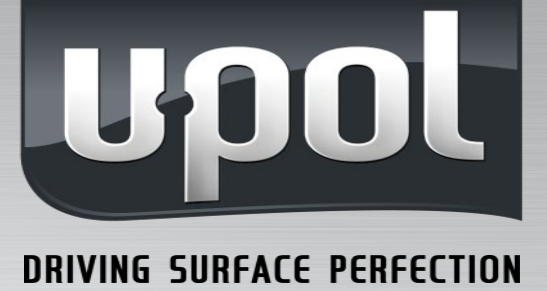

## U-POL competitive advantages

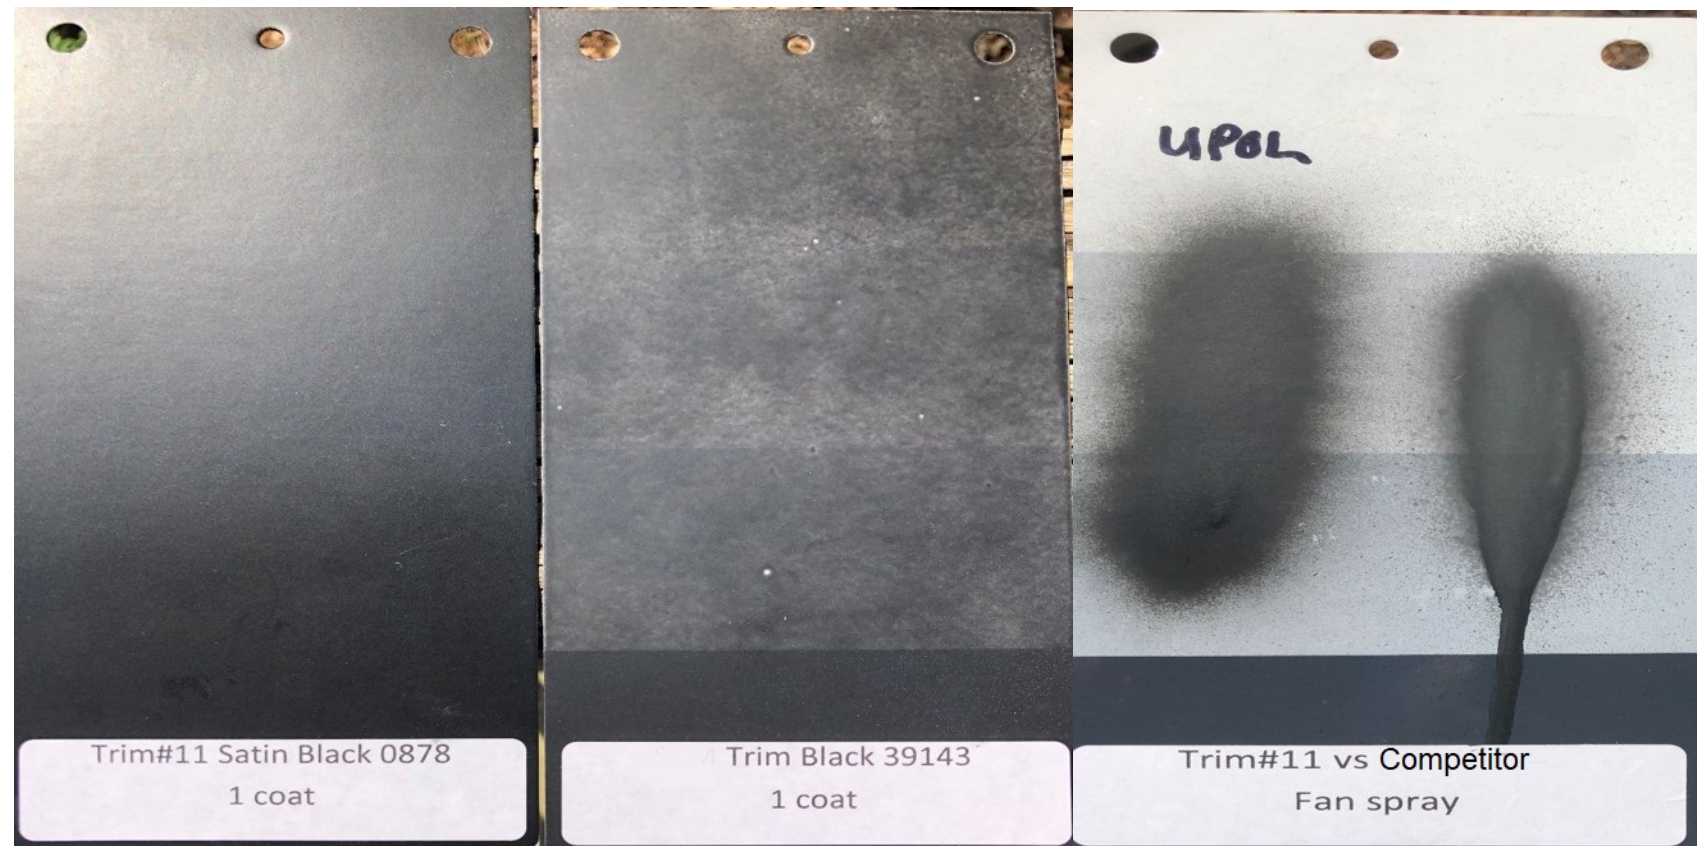

- Trim paint – 6 colors
- Enhanced resin, bonds directly to trim plastics, bare, galv or aluminum
- High pigment density, one coat coverage @ 75% overlap
- Wider fan superior atomization
- “Jet Black” – no brown or gray tones
- In high gloss, satin, matte and metallic

# Premium Aerosol II Advantages

## U-POL competitive advantages

# Premium Aerosol II

## Advantages

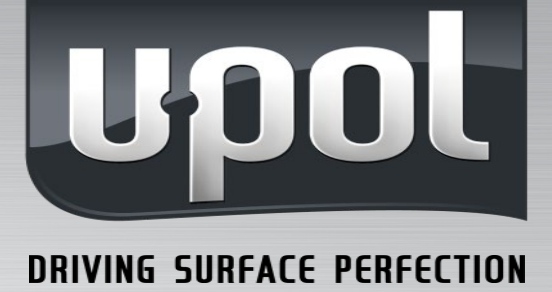

### U-POL competitive advantages

- Duplicates OEM e-coat look and gloss
- Proprietary Laminar resin has superior corrosion resistance.
- Passes 100 hr salt spray resistance test
- High pigment density + wide fan = one coat coverage @ 75% overlap
- Outperforms industry leader on every level
- No need to tie up the booth – use outside
- 5 most demanded OEM colors
- Following video covers typical E-12 application on a new replacement panel

# Find out more on our training portal

- Visit our training portal at [www.u-pol.com](http://www.u-pol.com) to see all our HeadStart information including videos / live stream sessions / Q&As

The screenshot displays the U-POL website's training portal. At the top, there is a navigation bar with the U-POL logo, a search bar, and a 'CHANGE COUNTRY' dropdown menu set to 'UNITED STATES'. Below the navigation bar is a breadcrumb trail: 'Home > Videos'. The main content area features a large 'HeadStart THE U-POL TRAINING PROGRAM' banner with a car image. To the left of the banner are three vertical promotional tiles: 'COVID-19 Measures we are taking against the coronavirus', 'HABLA ESPAÑOL? SITIO WEB TAMBIÉN DISPONIBLE EN ESPAÑOL', and 'RAPTOR TOUGH AND TINTABLE PROTECTIVE COATING'. Below the banner is a red header for 'Training - HeadStart Strong Foundations'. The main content is organized into a grid of product categories, each with a product image, title, and links for training modules, powerpoint training, and Q&As. The categories include: 'FILLERS, PUTTIES, AND GLAZES', 'PRIMERS AND CLEARS', 'PREMIUM AEROSOLS PART 1', 'CUSTOM CANS', 'RAPTOR THE PRODUCTS', and 'RAPTOR THE APPLICATION'. A vertical sidebar on the left contains a list of categories: 'FILLERS & PUTTIES', 'COATINGS', 'AEROSOLS', 'BODYSHOP CONSUMABLES', 'SEALANTS', and 'BED LINER & PROTECTIVE COATING'. At the bottom of the sidebar, there is a red 'ISOPON' logo with the tagline 'Ultimate ease and convenience for DIY car enthusiasts'.
