

## DRIVING SURFACE PERFECTION™

Dear Customer

U-POL Limited hereby advise that the U-POL range of products have been specifically developed for Automotive Refinish applications and as such, providing they are used in accordance with our guidelines and recommendations, will give long and lasting repairs. In this respect U-POL Automotive Refinish products meet the requirements of: **BS 10125:2014+A1:2016 clause 3.5.2.3 Part(b)**.

U-POL products that are supplied within the EU are fully compliant with the Paint Product Directive (Directive 2004/42/CE), which is enacted in the UK by the Volatile Organic Compounds in Paints, Varnishes and Vehicle Refinishing Products Regulations 2012 **SI 2012 No 1715**.

U-POL Limited is an **ISO9001:2015** accredited company.

All U-POL products have been developed with significant shelf life stability and are marked either with the date of manufacture, date code and/or an expiry date.

- **Body Fillers supplied in flexible bag** packaging (such as Hotshot 1, Dolphin Glaze) are marked with an adhesive label displaying a unique 5 digit batch code accompanied by the filling date.
- **Paint Range and Headlight Restorer Kit** products have a date of manufacture or a 5 digit batch code depending on the production line used. This 5 digit batch code can be interpreted using the following example:

93822

First digit is the year, 9 = 2009

Second two digits is the week number, 38 = 14<sup>th</sup> to 18<sup>th</sup> September

The last two digits signify the numbered batch of paint that week, 22 = 22<sup>nd</sup> batch produced in week 38.

- **Stronghold** and **Plast-X** have a 5 digit batch code and a date of manufacture.
- **BPO Hardener Sachets** have a weight in (g) and a six figure date of manufacture e.g. 40G 110717
- **BPO Hardener Tubes** have a 5 digit batch number and weight e.g. 17149GR78
- **Tigerseal** has a 5 digit batch code with an expiry date.
- **Greystripe** has a batch number and date of manufacture.
- **Raptor Epoxy Primer** has an 8 digit batch code.
- **Raptor 2K aerosols** have a date of manufacture on the neck of the aerosol.

We trust this gives every assurance to our valued customers. For any other information please contact us on (01933) 230 310 for assistance.

On behalf of
